Brief CV: Professor Amos Buchner, DMD, MSD, completed his dental education (DMD degree) at the Hebrew University, Jerusalem, in 1962. During the years 1963-1966, he trained in Oral Surgery at Tel Hashomer Hospital in Israel. In 1966, he received a Fulbright Award for training in oral pathology in the U.S.A and in 1968, he graduated with a Master of Science degree (Oral Pathology) from the University of Washington, Seattle, Washington. In 1969, Prof. Buchner was appointed to be the Chairman of the Department of Oral Pathology and Oral Medicine at Tel Aviv University. During the years 1980-1987, he served as the Head of the School of Dental Medicine and the Head of the Dental Division in the School of Continuing Medical Education. Prof. Buchner has been a visiting professor at several leading universities in the U.S.A. He is an author of more than 180 scientific papers in the international literature in the field of Oral Pathology and Oral Medicine. He served as the Editor of the Israel Journal of Dental Medicine and he is on the editorial board and an expert referee of several scientific journals. He is a member of professional organizations around the world, and serves as a consultant to national and international committees in the field of Oral Pathology and Oral Medicine. From 1969–1973 Prof. Buchner was the Director of the Dental Services of the Israel Defense Forces, and during 1975-1992 Headed the Forensic Identification Unit of the Israel Defense Forces Medical Corps. During the years 1992-1995 he served as the Chairman of the Scientific Council of the Israel Dental Association. From 1994 on, he has been the Chairman of the Accreditation Committee of the Scientific Council of the Israel Dental Association and the Ministry of Health.
