Brief CV: Dr. Ficarra qualified in Medicine at the U. of Padua in 1977, and trained in Medical Oncology at the National Cancer Institute in Milan. He trained in Oral Pathology and Oral Medicine at the U. of California, San Francisco in 1985-87. Presently, Dr Ficarra is Director of the Reference Center for the Study of Oral Diseases and Adjunct Professor at the School of Dentistry, U. of Florence. He has been visiting professor and lecturer in several institutions including the U. of Texas, Houston, the U. of California, Los Angeles, the U. of Guatemala City, the U. of Manitoba, Winnipeg, the Eastman Dental Institute, London and the U. of Mexico City and Brasil. Presently, he is the European Councillor for the International Association of Oral Pathologists. His main research interests have been in oral infections, HIV disease, vesiculo-erosive diseases, soft tissues pathology, odontogenic tumors and bone diseases. Dr Ficarra has published over 150 articles in dental and medical journals and is author of the textbook, *Manuale di Patologia e Medicina Orale*, MacGraw-Hill, Milan 2001.
