Brief CV: Peter Holbrook qualified BDS in dentistry in 1972 from the University of Edinburgh. He completed a PhD in microbiology in 1976 and was then appointed a lecturer in the Department of Oral Medicine, University of Manchester, England and later emigrated to Iceland in 1981. He holds a Fellowship in Dental Surgery from the Royal College of Physicians and Surgeons of Glasgow and is a Fellow (microbiology) of the Royal College of Pathologists. Peter Holbrook is largely involved in academic work but runs a private practice restricted to all aspects of oral medicine, one half day per week.
